## CARRIGAN IS NEW MANAGER OF RED SOX

"Jake" Garland Stahl Is Given Unconditional Release by President McAleer, of Boston Americans.

Chicago, Ill., July 16.—"Jake" Garland Stahl was named manager of the Boston Americans Tuesday by James McAleer, president of the club. Though differences amounting to a serious "misunderstanding" with McAleer were rumored causes of Stahl's release, both manager and president insisted that the demand of the latter and other stockholders for a "playing manager" was the motive. Catcher William Carrigan will assume charge of the team.

Stahl's release was unconditional and he will give up baseball as a business, although retaining his Red Sox stock, devoting his time in the future to his banking business in Chicago. He has played five games this season, an injured foot keeping him off the field, though he has managed the team from the bench. He was grieved apparently at McAleer's release, and declared he had done his best to sustain the team's reputation as world's champions. To all around had luck, including his own inability to take part in more than a few games. Stahl attributed the comparatively poor showing of the team this year to the lack of modern ball players, was induced by McAleer to resign the Boston team and took up the management at the beginning of the 1912 season, soon after McAleer assumed the presidency. Under Stahl's leadership, and aided materially by his own prowess on the field, the team captured the highest honors of the National Game.

"Bill" Carrigan has a reputation as one of the leading baseball strategists among active players. He is 25 years old and a native of Lexington, Mass. He joined Boston from Holy Cross college in 1906 and has been with the Red Sox since, except for part of the season of 1907, when he played with Toronto.

## FELDER JONES DECLINES OFFER FROM RED SOX

Portland, Ore., July 16.—Felder Jones, president of the Northwestern league, has admitted he had been offered \$25,000 to manage the Boston Red Sox. He will not accept, he said, and added: "There is also another American league team in the field for a new manager."

**OKLAHOMA SHOOTER MAKES HIGH SCORE IN HANDICAP.**  
Wilmington, Del., July 16.—Making a perfect score in the 150 targets on the program of the eighth annual handicap shoot, William Heer, of Guthrie, Okla., led the field of nearly 200 contestants at the close of the event. He broke 99 out of a possible 100 and has an unfinished run of 227 straight breaks to his credit.

Mrs. Cooper, of San Antonio, Tex., finished with 195 targets broken out of her quota. She had a run of 112 straight.

**KID WILLIAMS WINS OVER CHAS. LEDOUX.**  
French Boxer Claims He Is Foulled, But Referee Gives Decision to the Baltimore Battler.

Los Angeles, Cal., July 16.—Kid Williams of Baltimore was given the decision over Charles Ledoux, of Paris, France, in the 10th round of a battle at Vernon arena last night. The French boxer asserted he had been fouled and remained on one knee. The referee, however, held up the American's hand. He threw out the Frenchman and declared he had done his best to sustain the team's reputation as world's champions. To all around had luck, including his own inability to take part in more than a few games. Stahl attributed the comparatively poor showing of the team this year to the lack of modern ball players, was induced by McAleer to resign the Boston team and took up the management at the beginning of the 1912 season, soon after McAleer assumed the presidency. Under Stahl's leadership, and aided materially by his own prowess on the field, the team captured the highest honors of the National Game.

**HERRICK BOYS ARE RETURNING HOME.**  
Unless the Santa Rita, N. M., promoters decide definitely whether they will stage the 10-round bout between Abe Goldstein, of Albuquerque, and Jack Herrick, the Herrick boys, Jack and Joe, will leave for their home in Keams, Ill., Thursday morning. An offer of a \$200 guarantee was received by Joe Wednesday, but as they are holding out for a guarantee of \$250, a privilege of 30 percent of the gate receipts, it is probable that an answer will be received shortly from A. G. Mosely, matchmaker of the proposed fight.

Jack has been touring the country for two years, and has been away from home for a year and a half. The boys will rest up for three weeks in Keams and will then leave for the Pacific coast. They will return to El Paso with the racing season. Both boxers are disgusted with the receipts at Juarez. Jack only received \$170 for putting Carroll to sleep Sunday, as the fight drew less than an 1800 house.

**OWNER OF VENICE CLUB REFUSES \$200,000 OFFER.**  
Los Angeles, Cal., July 16.—Ed Mader, president of the Venice Coast league baseball club, has confirmed the report that he had been offered \$200,000 for the team and franchise by a syndicate which included John McGraw, of the New York Giants. Mader added he had declined the proposition, which was presented by Paul Armstrong, the playwright, who also is interested in the syndicate.

## GURTZ WILL JOIN BEAUMONT TEAM

Second Baseman of the El Paso Mavericks Is Ordered to Report at the Office.

After deliberating several days, Bill Leidy, manager of the Beaumont, Tex., league club, has accepted the terms of Chas. Gurtz, second baseman of the El Paso Mavericks, and has ordered the local player to report at once. Gurtz received a dispatch from Leidy Saturday asking him to become a permanent fixture at second base for the El Paso team for the remainder of the season. He immediately communicated with Leidy and the telegram Wednesday morning was the result.

Gurtz has been hitting around the 200 mark in the Coper league, and has led the Mavericks in the batting average column this season. He played with the army team in the City League last year, and at the end of the 1912 season was secured by the Marshall, Tex., independent team, which disbanded several months ago. He was then signed by the Mavericks, where he has been for the past two months. Gurtz is known as one of the speediest infielders in the southwest, and his work here attracted the attention of Leidy.

## DOYLE IS BIG FACTOR IN RALLY OF GIANTS

A large share of the credit for pulling the Giants from five games in the rear to a strong lead against the Red Sox, champions of the second base and captain of the National champions, Doyle has not only picked up in his batting, but has shown a class of fielding which places him among the half dozen great second sackers of the game.

That the El Paso to Phoenix automobile race is attracting wide attention is shown by the correspondence now being received by H. H. Rinehart, chairman of the racing committee. Mr. Rinehart answered that he could enter and that the club would be glad to have his entry. Mr. Keene, who lives at Hotel Manze, in Trenton, read of the race in The El Paso Herald, he said.
